

*Made RIGHT
in USA*

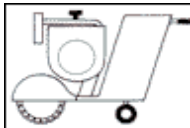

NED Corporation is the leading US-owned manufacturer of quality diamond blades, bits, drills, and concrete and masonry saws. With major facilities in Massachusetts and Texas and over 100,000 s.f. of manufacturing space, NED Corporation offers a full range of cutting products for every application.

Golden Eagle Series

The super-pro high performance **Golden Eagle Series** is faster and freer cutting than other industry blades. Available for cured concrete, asphalt, or asphalt over concrete. Wet cutting Golden Eagle blades are recommended for walk behind saws.
