

Drainage Products

NDS Brings to you high quality Basins, Grates, and Risers for all of your drainage needs. All NDS grates are designed to withstand normal abuse in landscaping applications. Installed properly, 9x9 inch, 12x12 inch, and 18x18 inch grates are suitable for light vehicular traffic. All NDS catch basins are suitable for both landscape and hardscape applications. NDS high impact plastic drainage systems are lightweight, less expensive and easier to install than metal and concrete products. Ideal for most residential and commercial applications, they will not fade or rust.

For Heavy traffic applications NDS offers a full line of cast iron and steel grates.
