

Masonry Restoration Cleaners

PROSOCO products
improve and
preserve the appearance
of *architectural*
surfaces.

Light Duty Concrete Cleaner

Description and use

Sure Klean® Light Duty Concrete Cleaner removes common construction and atmospheric staining from smooth architectural and engineered concrete. This general-purpose, nonetching acidic cleaner removes rust, mud, oil, atmospheric dirt, mortar smears and other stains without altering the surface texture. Light Duty Concrete Cleaner adds depth to colors, brightens white matrices and exposed aggregate.

Advantages

- Improves color uniformity and enhances appearance.
- Contains no muriatic acid.
- Removes common construction stains and atmospheric dirt.
- Safe for most pigmented concrete and colored mortar.
- Water rinsable.

Heavy Duty Concrete Cleaner

Description and use

Sure Klean® Heavy Duty Concrete Cleaner is formulated for removal of concrete splashes, excess mortar, retarders, heavy efflorescence, embedded stains, rust and surface soiling from textured concrete surfaces.

Advantages

- Removes heavy efflorescence and embedded stains.
- Designed for use with pressure water rinsing.
- Improves bond of protective coatings/membranes.

Mortar & Grout Remover

Description and use

Enviro Klean® Mortar & Grout Remover is a safe and effective way to remove excess mortar, grout and job dirt from masonry. Mixes with water at the job site to clean most brick, concrete, tile and stone surfaces. Also ideal for colored mortars and grouts, and since it's made from natural food products, it's safe for the environment.

Advantages

- Mixes with water at job site.
